

[Upon Arrival in Korea] 14 days quarantine

Procedure

① Arrival (Incheon airport)

1. Quarantine inspection	Submission of health declaration form ※ Write down your address and contact number in Korea ※ If you quarantine in university dormitory, you need to write down the dormitory address/phone number
2. Customs	Customs inspection
3. Baggage claim	Baggage claim
4. Exit to arrival hall	Exit to arrival hall
5. Transportation to your quarantine place	Take a designated cab or airport limousine ※ If you arrive in the morning, you first need to visit the local health center.

※Incheon Airport website: https://www.airport.kr/ap_cnt/ch/arr/entmap/t1/ent_t1.do

② Local health center : COVID-19 Test

Visit the local health center located near your place of residence

Wait for your turn

Write down the phone number to which you like to receive the test result
※University phone number if you quarantine in the university dormitory

Take a transportation provided by the local health center or a special cab to your quarantine place

※If you visit the local health center the day after your arrival, you need to walk to/from the local health center.

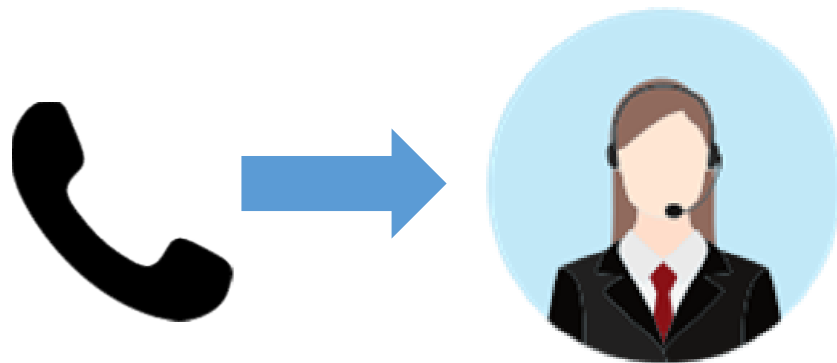

Undergo COVID-19 Test

③ At your quarantine place

Not allowed to leave your quarantine place for 14 days from your arrival date

- ※ Daily report of temperature
- ※ Failure to comply with required process results in immediate deportation

In case of emergency during the quarantine period, contact the local health center first, then the Office of International Affairs, Myongji University

④ 14 days of self-quarantine monitoring

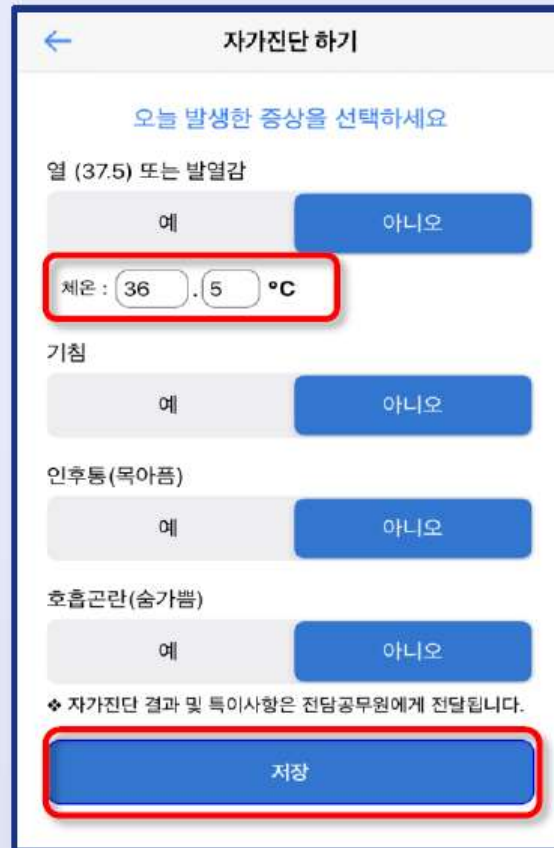

Self-monitoring: twice a day (10am, 8pm)

Alarm will ring 30 minutes before each monitoring time, and you need to measure your temperature each time.

1

Click "start self-monitoring" button

2

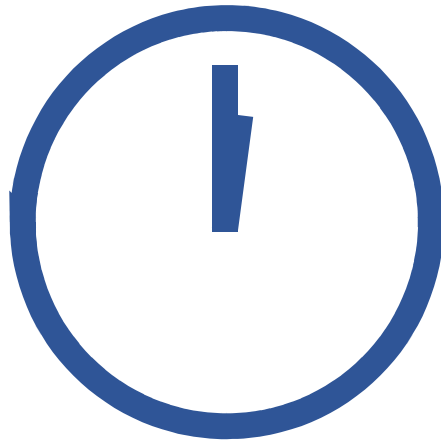

Click on your symptom(s) and "Save"

3

You will be able to view the result on the list

⑤ End of quarantine period

14th day from the date of your arrival in Korea (at noon)
※ You will receive an official notification to confirm that the mandatory quarantine has ended

1. Place all garbage collected during the 14 days quarantine period in the orange bag provided (including leftover food)
※ You may keep leftover food in the fridge during the quarantine period.
2. To prevent any leakage, use a white garbage bag provided to wrap the orange bag.

Hope to see you soon!
